READ AND LISTEN TO WHAT TWO TEENAGERS SAY ABOUT THEIR SATURDAYS. MATCH THEM WITH THE PICTURES IN EXERCISE 1.

**Jacob:** I always have football practice on Saturday morning, so I get up early and have a big breakfast. After football practice I go home for lunch. In the afternoon I usually do homework, but I sometimes play tennis at this sport centre. I hardly ever watch TV during the day – the programmes are always really boring. In the evening, I always go out with friends. We often go bowling. I’m usually in bed before midnight.

**Kirsty:** Usually get up late on Saturday morning. I never have breakfast. I watch TV for an hour and then I usually check my e-mails or visit a chat room. After lunch, I go shopping. I look at the new mobile phones, but I never buy a phone – they're always very expensive. I always go dancing with friends on Saturday evening. I'm often out until two o'clock.
