## Things I love about the US

Sarah Araf is British but she lives in Ohio, in the US. Here are some things she loves about living there.

**1** \_\_\_\_\_

In the US, the customer is really important. When you walk into a store, the staff greet you with a smile and ask 'How are you?'. The customer is always right too. If you have a problem with something, you **take it back** and they solve the problem quickly. You don't need to complain. You don't even need to have the receipt.

**2** \_\_\_\_\_

I love real American coffee shops. Not chains like Costa and Starbucks, but those old-fashioned places where the waitresses **come** to your table and call you 'honey'. You pay a dollar for coffee, and you can drink as much as you like. You can also **stay** as long as you like. You can sit there all day and read a book for the price of a cup of coffee.

**3** \_\_\_\_\_

Eating out here isn't as expensive as in the UK, so we go out quite a lot. People are very friendly here too. When you go to a bar or a restaurant, you often have a conversation with the people at the next table. It's really nice.

**4** \_\_\_\_\_

Everyone is so optimistic here! They **believe** that everything is possible if you work hard. If you say 'We can't do that', they say, 'Why not?!'
