UNIFORMS – FOR OR AGAINST?

Three people say what they think...

1. Our uniform is OK. I like the colors, grey and red. The only things I don't like are the **tie**, because it's difficult to put on, and the **skirt**, because I prefer trousers. I think uniforms are a good idea. Everybody looks the same, and it's easy to **get dressed** in the morning – I don't need to think about what to wear.
2. Our uniform is dark **trousers** and a white **nylon top**, a bit like a nurse's uniform. We can't wear anything over the uniform, so it's quite cold in the winter, and it gets dirty very easily because it's white. I'm not against uniforms, but my uniform just isn't practical!
3. Our uniform is very simple – a dark blue **jacket** and trousers and a white **shirt and tie**. I like it, it's nice and **comfortable**, so I'm happy to wear it. And I think it's Important that people can see where we are when they need help.
